History, Tracking, Traceability and Reporting.

Every paperless EyeTicket is fully traceable from start to finish. Exact times are recorded for the progress of each order. This presents a fully comprehensive tracking and traceability service in real time. Its almost like having your own optical lab at the touch of a button.

- ✓ **View status of every EyeTicket you raise**
- ✓ **View status of all your colleagues EyeTickets**
- ✓ **View exactly what the optician raised for your employee**
- ✓ **Track every step around our optical lab**
- ✓ **Receive monthly EyeTicket summary reports**
- ✓ **Receive monthly new eyewear reminders for employees**
- ✓ **Your employee can track their own order**
