We Protect People.

21.6% RCS certified post-consumer recycled polyester. Certified by Intertek License No. 232059

An advanced cut protection glove using 21.6% post-consumer recycled polyester for sustainability, combined with our advanced nitrile micro-foam coating.

- Ultra-lightweight form fitting design.
- The Recycled Claim Standard Blended verifies the glove contains 21.6% post-consumer recycled polyester
- Blended with advanced filament fibre for high cut level D protection
- No harsh fibres, prevents irritation and fibre breakdown
- Ultimate comfort and feel reduces hand fatigue
- Fine nitrile micro foam coating for high sensitivity and durability
- 360° Breathability reduces clammy hands
- Sanitised to prevent odour

### Key Industries

- Aerospace
- Automotive
- Construction
- Rail
