

## GEO-FLEX

We Protect People.

Touchscreen

A sophisticated dual layer-nitrile glove which provides superior comfort and performance across various working environments.

- 18G Featherweight, form-fitting shell which minimises hand fatigue
- Up to 20% lighter than traditional dual layer nitrile gloves
- Ultimate comfort, dexterity and flexibility
- 360° Protection against liquids and oily fluids
- Flexible smooth nitrile primary layer to repel liquids, with a sandy palm second layer for grip and enhanced durability
- Waterproof (Tested to EN511 for water permeability)
- Exceptional grip performance across wide range of applications
- Contact heat up to 100°C for 15 seconds
- Sanitised for hand hygiene
- Touchscreen
