

## OG255.

A robust safety eyewear option, suitable for use in an industrial, scientific or workshop environment. The understated clear nylon frame is unobtrusive while offering reliable protection and comfort throughout the working day.

- Ultra-lightweight nylon frame with integral nose rests and temple tips
- Non-conductive with no metal parts
- Ideal for electrical or heat intense environments
- Adjustable temple length for optimum personal fit
- Single Vision / Bi-Focal / Vari-Focal Lenses
- CR39 (Grade S) or Polycarbonate (Grade F)
- Various lens coatings and tints
