

## Altitude.

Altitude is a modern take on a traditional design, all the classic style yet lightweight and super-soft. This frame has wide coverage so protection is maximised and its ideal to support a multi-focal lens. The contemporary dark grey matt finish is both understated and attractive.

- Durable polycarbonate frame
- Soft TPR nose pads
- Polycarbonate temple and side shields
- Wide coverage for greater protection
- Lightweight and comfortable
- Single Vision / Bi-Focal / Vari-Focal Lenses
- CR39 (Grade S) or Polycarbonate (Grade F)
- Various lens coatings and tints
